### THE IMPOSSIBLE DREAM

To dream the impossible dream,  
To fight the unbeatable foe,  
To bear with unbearable sorrow,  
To run where the brave dare not go.

To right the unrightable wrong,  
To love pure and chaste from afar,  
To try when your arms are too weary,  
To reach the unreachable star!

This is my quest, to follow that star,  
No matter how hopeless, no matter how far;  
To fight for the right  
Without question or pause,  
To be willing to march into hell  
For a heavenly cause!  
And I know if I'll only be true  
To this glorious quest,  
That my heart will lie peaceful and calm,  
When I'm laid to my rest.

And the world will be better for this;  
That one man scorned and covered with scars,  
Still strove with his last ounce of courage  
To reach the unreachable stars!

## When I'm Laid To My Rest

"Dreaming impossible dreams is something that we all do, and the time we are in school is the time that we seem to dream them most often. We, the Crescent Staff of 1977, hope that the reality of the world outside will not crush these dreams, so we proudly present "The Impossible Dream" and the events of 1976-77 that make it more possible.

Fisher, Lovejoy and Reed showed a Cove Bulldog the power behind a Hornet Defense.

Copperas Cove handed the fired-up Hornets a 14-12 defeat in the second game of the season. The Hornets displayed fine defensive play in turning back numerous Cove drives deep in Gatesville territory with outstanding work from David Shirley, Rob Erwin, Billy Greenwood, and Stanley Cobb who was an honorable mention pick for Central Texas Defensive Player of the week.

Mike Fisher returned the second half kick-off 85 yards for the first Hornet TD, and Rick Salter added an additional six. The point after attempt failed and the Hornets fell two points short of a tie.

Rosebud-Lott Cougars gained little yardage on the mighty Hornet defense. Symm does his part in stopping a Cougar.

The first victory for the Hornets and their new coach Charles Matejowsky came on September 17 before a partisan home crowd as the Gatesville eleven defeated Rosebud-Lott 28-7. For the defeated Cougars, it was a night of mistakes, fumbles, penalties, general frustration, and too much Hornet power. The scoring came in every quarter with touchdowns by Mike Fisher, Calvin Williams, and Stanley Cobb, two extra points by Bill Gillette, and a two point conversion on a pass from Richard Jones to Fisher.

## Gatesville 7—West 28

Gatesville journeyed to West on September 24 to battle the state-ranked Trojans on their home field. Valiant stops were made by defensive stand-out Billy Greenwood, Jeff Davis, Terry Reed, and Ronnie Symm, but the muscular Trojans scored four touchdowns to defeat the Hornets 28-7. Gatesville's lone score came on a two yard plunge by fullback Rick Salter.

Fisher, Cobb, Shirley, and Lovejoy joined together to show an unlucky player the power behind a Hornet defense.

In the end, it was the valiant Gatesville Hornets who were caught by the clock as they lost to LaVega 21-23 in the final two seconds of the game. Scoring started in the second quarter with both teams putting points on the scoreboard, and the Hornets and Pirates went into the final minute of play with LaVega leading, 20-14. With forty seconds to go in the game, the Hornets shot in front with a TD and extra point. A long field goal with only seconds remaining wrote the finish to the Hornets hopes for a district victory with a final score of 21-23.

On October 8, 1976, the fighting mad Hornets upset the previously unbeaten Jeff-Moore Lions who ranked ninth in the state. The Hornets were spurred by the defense, led by Stanley Cobb (who recovered three of Jeff-Moore's costly fumbles), Frank Hopson, and David Shirley. Gatesville's first TD was on a 4th and 3 play on Jeff-Moore's 33 when Richard Jones hit Mike Fisher with a perfect pass on the goal line.

Fisher also made the other TD on a long run, and Jones passed to Harry Culberson for the two-point conversion. The Lions managed one TD and a two point conversion in the fourth quarter, but the Hornets hung on to the lead, and the game ended with a Gatesville victory and a final score of 14-8.

Waco High's Tigers drove past a hard trying Gatesville 11 on the damp and chill turf at Waco's Municipal Stadium defeating the Hornets 15-6. The Hornets, with good defensive muscle and the offensive fireworks of Mike Fisher, made a game of it until a fourth down gamble at mid-field in the closing seconds of the third quarter back-fired. The lone touchdown was made by Fisher with a 48 yard run early in the third quarter.

A band of Gatesville Hornets surprised mighty Midway tagging the stunned District 11-AAA leaders with their first district loss, 21-10. After a defense-dominated first half which saw the combatants exchange field goals with Joe Duncan booting a 33 yard three pointer just before intermission, both teams came out gunning the third quarter and un-

His prime target was Harry Culberson who hauled in five throws for 35 yards. Danny Baize made two spectacular catches that helped lead to Gatesville's go-head touchdown. A stubborn Hornet defense had a big hand in the victory with standout performances by Paul Lovejoy, Jeff Davis, Billy Greenwood, Frank Hopson, Rob Erwin, Doug Walker, and Ronnie Symm.

Guided by William C. Bradley, the Gatesville Hornets had a successful season. They placed third in the Robinson Tournament. In the Gatesville Tournament, the talented Hornets beat Robinson for the championship. In the Midway Tournament, the hard-fighting Hornets captured third. All of this lead to a hard battle with Midway for the 11-AAA District crown. On January 13 the determined Hornets beat their long-time foe in their own barn. The game was played in the Heart of Texas Coliseum in front of a patron Hornette crowd. The outcome of the game enabled the Midway Pantherettes to continue on their way to regional, and the Gatesville Hornets settled for a Co-District Championship title. The season record for the Hornets was 25 wins and 5 losses. The hardworking Hornets were only beaten by state competitors.

The completion of the VICA Construction's house marked the end of their yearly project.

A major step in finishing the house was laying the brick.

At least Mr. Rauschenberg is interested in learning how to run a skillsaw.

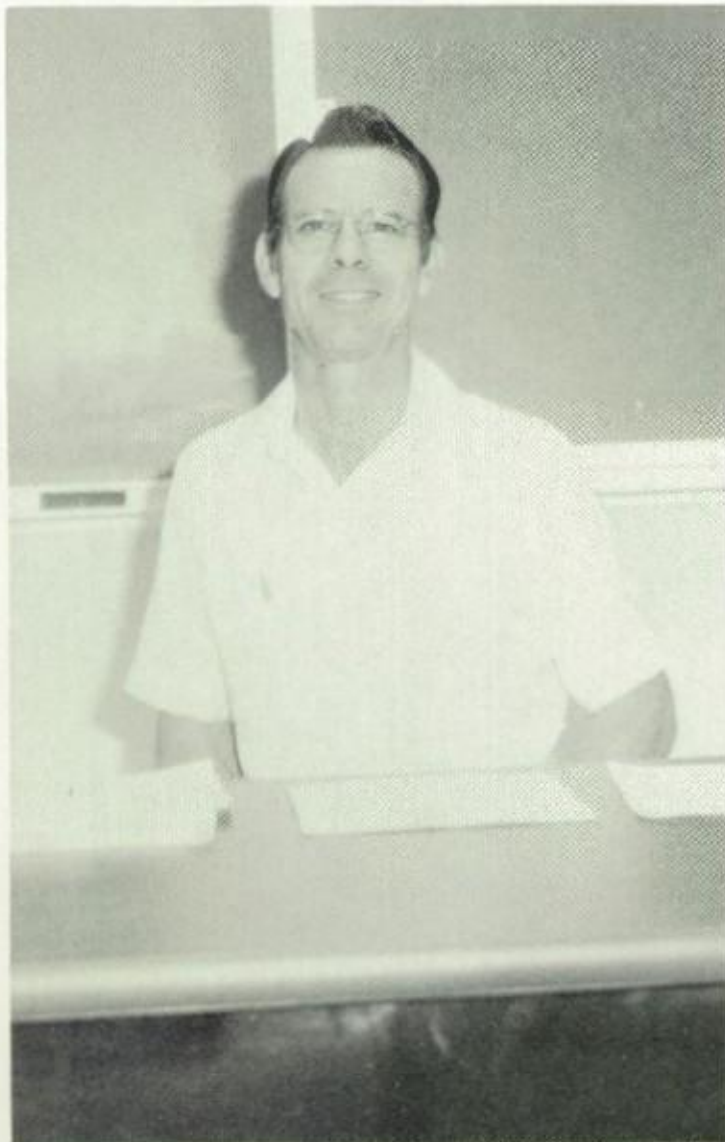

"These slides sure aren't very wide," said Bobby Crell very ruefully.

The morning class of the VICA Mechanic class were Donald Schraeder, James Ragsdale, Hershal Mooney, Charlie Yates, James Clawson, James Swader, Howard McDonald, Bob Baker, Frank Alford, Johnny Fowler, and Alvin Kiphen.

As this school year ends we, the members of the Crescent staff, have attempted to fulfill what we thought were Impossible Dreams. In some ways we have succeeded and in others we may have failed. We do hope, however, that everyone enjoys this yearbook, and that everyone will reach his most desired Impossible Dream.
